a minor, understand that while safety is stressed at Civil War battle reenactments and other living history events by the Vernon Greys Militia, and by the event sponsors, this hobby has risks, including those associated with the use of black powder or edged weapons, and occasionally accidents will happen. We hereby consent to our minor child's participation in Civil War events with the Vernon Greys Militia. We understand that our minor child will be expected to act like a responsible adult at events, and that no supervision other than that given to every member of the Vernon Greys Militia will be provided. We agree to hold the Vernon Greys Militia, as well as any of its individual members, blameless in the case of accident or injury to our minor child; and we hereby waive any claim for medical expense or other damages and any right of lawsuit for any accident or injury which may occur during any reenactment or living history event. We understand that no member of the Vernon Greys Militia is responsible for the availability, timeliness, quality or appropriateness of emergency medical services provided at any Civil War reenactment or event. We have read this parental consent form and understand that our minor child will not be allowed to participate in Civil War events with the Vernon Greys Militia unless a copy of this parental consent form is properly signed and dated by us, and on file with the unit Secretary.
